

LOOKS WE LOVE | LEMONADE BRIDAL BLISS

Celebrate your bridal shower with this lemon themed treat table! What better way to introduce your upcoming wedding than using our new chalkboard stand. Incorporating shades of yellow and pink help to brighten up the party and add fun pops of color. We played up our table with some vintage pieces by using our galvanized trays and tubs and mason jars. Our new weathered garden stand makes for a cute “Pucker Up” display station. Your guests will be blown away by the cuteness of the lemonade theme, let the bridal party fun begin!

Celebrations! on Location | Lake Tahoe

This summer Celebrations! had the privilege of traveling to Lake Tahoe to install one of our brand new Sail Cloth tents! This tent is 44'wide and 63' long, and is perfect for any occasion! For this event our team also installed our ever popular market lights inside the tent, strata floor for seating at the ceremony, and our wood-grain dance floor. Our Celebrations! team was privileged to showcase our new Sail Cloth tent for such a stunning event at a beautiful location!
