

HOW TO | MAKE YOUR OWN CABANA

Cabanas are a stylish way to make any event unique. You can set up cabanas for a VIP section of an event, or as a place for guests to relax at a wedding. Celebrations! carries everything you need to create your own cabana. Making the frame out of our pipe and drape pieces you can customize your cabana with our selection of different colors and fabrics. You can also choose from our Studio or Norden lounge furniture to add some comfortable seating. Worried about having your event at night in the dark? Not a problem! Our market lighting brings a wonderful warm glow of light to the area!
