It's been a whirlwind couple of weeks here at Celebrations! and our team has been all over California setting up for events large and small! The events range in size from a 1,000 person corporate event in Bakersfield Ca, to a beautiful intimate wedding on the shores of Lake Tahoe. We also had the pleasure to work in one of the most beautiful cities in the world, San Francisco. Our team set up a 25mx55m (82'x180') structure tent for a fundraising gala, where they were treated to a view of the Golden Gate Bridge from the job-site! Back here in Sacramento we worked on another project where our installers set up tents and tiered seating for guests to view an incredible equestrian show.

Our team has been working around the clock to make sure these events go off without a hitch. We can't wait to see where our clients take us next!
