Discount Tire (also known as America's Tire) partners with Blue Sky Event Planning and Celebrations! each year to install a variety of tents for their corporate retreat in Lake Tahoe to thank their hardworking employees!

This year's event featured one large 40' x 80' dining tent, a 20' x 30' coffee house tent with custom flooring, several of our new 10-T pop-up tents, and a couple of our 10' x 10' and 20' x 20' festival tents, among other various rental items. Our team worked diligently to install all 12 tents in two days at this lakeside venue.
