## **New Modification & Express Delivery Fees beginning February 1st, 2019**

It is never fun to announce new fees but we do our best here at Celebrations to be transparent. In order to properly accommodate all of our customers' needs and do so without interruption of already scheduled orders, we have decided to add two new fees. The first is the "Modification" fee of \$50 which is for moderate last minute modifications to current orders that are done within the 72 hour prior to delivery window. The second is the "Express" delivery fee of \$30 which will be for new deliveries scheduled for the same week as the event is being held.

Our showroom staff will send out a reminder email prior to the 72-hour window to allow customers to make their final changes prior to being charged the new fee.

We understand this can be frustrating and we would be happy to answer any questions about the specifics of these new fees. We always want you to have the absolute best experience with Celebrations and we look forward to servicing your next big event!

*Planning for a Celebration of Life event while we were all still grieving was nothing short of ROUGH. What was NOT rough however was our interaction with Celebrations! ...and thank goodness. Ordering over the phone was as simple as can be, as was pick up. Drop off? Even easier. Thank you wonderful ladies of Celebrations! Party Rentals and a special thank you to Rachel who took so much weight off of me during this particularly heavy time. Spectacular service. HIGHEST RECOMMENDATION.*
