

Squaw Valley Clear Top Tent

[rev_slider_vc alias="Squaw-Valley-Clear-Top-Tent"]This one of a kind wedding was held in the gorgeous area of Squaw Valley Ca, on a beautiful summer day. The customer chose a 40'x80' Clear Top, Jumbo Trac tent to hold the 140 guests for the stylish event. The tent was draped in our Sand Sheer fabric which was highlighted with our Wrought Iron Chandeliers and Market lighting. To bring a little of the outdoors inside the tent, Farm Tables were used for the seating along with our Walnut Wood chairs. The guests danced the night away on our Wood Dance floor! So pretty!
