

Services List

Delivery and Pickup Service

Our standard delivery and pickup is Monday – Saturday between 9:00 am and 5:00 pm. The standard fee for this service is based on the city we are delivering to for your event. If you require delivery within a specific time frame, an additional “timed delivery” fee will apply. Our delivery service consists of delivering your rental equipment to a nearby ground level site, outside the rear of our truck. Any deliveries involving stairs, elevators, or pathways with large obstacles that could prevent easy access to the drop-off locations, or excessive distances from our truck will be billed at the rate of \$75.00 an hour per man, at the discretion of the delivery driver. Deliveries with excessive distances or deliveries with set-up can be arranged, but need to be scheduled in advance – not at the time of delivery. See our Rental Policy for specific delivery policies.

After Hours, Before Hours and Sunday Delivery and Pickup Service

Deliveries and pickups can be scheduled outside of our regular business hours or on Sundays for an additional fee. We understand that some locations have specific timing requirements and we will do our best to accommodate you for your event. The pricing for this service is based on the time, location and size of your order.

Setup and Teardown

Setup and teardown of certain items are already included in the rental price: stage, dance floor and tents. For an additional fee, we can setup or teardown tables and chairs for your event. This service must be arranged with a Celebrations!

representative prior to your delivery or pickup.

Tenting Site Inspection

All tent quotes and proposals require an onsite evaluation by a Celebrations! representative. At that time, we will evaluate the area for the appropriate sized tent and appropriate installation style. This is the best way that we can guarantee that you receive the appropriate sized tent and that the installation will run smoothly for your event. Please call our office to schedule a site inspection: (916) 773-2133.

CAD Drawings

If you are renting a tent with Celebrations! for your event, we can provide you with a CAD drawing depicting the layout of your event. You can meet with a Celebrations! representative at our office to create a virtual model complete with tables, chairs, dance floor and other event accessories. This drawing will be a great help for your event setup.

After-Hours Rental Emergencies

If you experience any difficulties with items that you have rented with Celebrations!, we do provide 24-hour emergency assistance. Please call our office for our after-hours recording that will list a contact number for our on-call driver for that day.
