

Looks We Love | Rustic Glam

One of our favorite Wedding Trends at Celebrations! is Rustic Glam. To create the perfect design, our showroom team paired our desired rustic Farm Table with our new Crossback wooden chairs. To add a touch of Glam, we added our Vegas Sequins Runner with our New Glitz Gold Charger. Customize this look by adding your favorite pop of color through linen napkins, or mix it up by choosing a unique specialty glassware. Celebrations! loves this look for our adored brides of 2015!
