

Woodland Wedding

Woodland Wedding! This is one of our favorite fall wedding tables this year! We paired our Loden polyester linen with Linen oatmeal and Charm runners. The Charm runner captures that elegant wedding look, but looks great with our rustic pieces. We then paired our new Glitz chargers with our Sophie dinner plate and Kona glass salad plates. The Linen rose napkin adds a soft pink tone for a subtle pop of color. We incorporated our Sonoma glassware, Fiddle flatware and our beautiful Crossback chairs to finish it off. This eclectic woodland table encompasses rustic glam. Impress your guests with this look!
