

Structure Tents

Celebrations! Structure Tents are perfect for a large wedding, corporate event, long term event, or any large-scale event with up to 5,000 attendees. These tents are **clear span** and have no interior poles. Structure Tents can be divided inside to create two or three smaller rooms and can even include an overhang to create a covered outdoor patio. Our packages include artistic lighting, flooring, climate control options, glass double doors and swagging. Tenting options include:

- Glass and cassette walls and clear top tenting options
- Custom fabric décor including large scale swags, draperies and linens
- Turnkey tenting options including lighting, flooring, and climate control
- A tent specialist to support you in creating a perfect event
- Available Widths: 50', 66', 83', 100', 132' and 164'; All Length
