

EMERGENCY RESPONSE SOLUTIONS

Scalable temporary structures and tenting options for healthcare, food service, and first responders

We offer a large selection of temporary structures and tenting, from fully-enclosed and climate-controlled structures to drive-through tenting.

Services include:

- Many types and sizes of temporary structures or tenting
- Raised subfloors with ADA access
- Hospital-approved recycled plastic flooring
- Industrial lighting
- Towable generators
- HVAC and climate control
- Rental items (tables, chairs, catering equipment, etc.)

Long-term rental pricing available upon request.
